# State-wide Carnival Clifton Beach

Congratulations to all the nippers who represented our club at the junior Clifton Beach carnival. The weather was great, the conditions superb and the racing efforts were awesome!

A huge thank you to all our nipper parents, officials and club supporters.

Team Devonport finished 7th overall on the point score with 113 points!

Saturday afternoon saw the surfboats take to the water, the women came away with first racing against Ulverstone and the men got third in a field of five crews with some tight finishes and a few waves to contend with.

Sunday the seniors took to the beach with a storm rolling through and then clearing up again everyone put in a huge effort.

# Surf Boat Launch

On Friday 17th of February Kevin Emery and Ron Mitchell launched our new surf boat so kindly donated by Peter and Una Rockliff. The boat is named after these two legends who joined the club in the 1950's. Together they began the dynasty in the 1970's when the club crews were almost invincible in the surf safari a 21-mile marathon from Hobart to Lauderdale. Both Ron and Kevin shared the role of sweep oarsman and stroke in the very successful crews of that era and continued involvement for many years.

## Junior State Titles

What a fantastic weekend to round out a wonderful 2022/23 season of nippers. Well done to our sensational nippers you guys rock! Everyone of you gave your absolute best. And medals or not you should be extremely proud of your efforts.

Well done to our 25 nippers who attended state titles, it was a tremendous effort with 27 medals - **9 Gold** 5 Silver 13 Bronze

# Senior State Titles

Saturday 4th and Sunday 5th of March saw our senior competitors battle it out at the Senior Surf Life Saving Championships at Carlton Park.

Saturday presented some challenging conditions with a nice wave breaking, the swell dropped but still hung around Sunday for a scorcher of a day in the sun.

Team Devonport gave it there all and came away with 6th spot overall with 118 points.

Our surf boats made a great return to state titles with our men's crew coming away with 2nd place and the women 3rd place.

Other standout performances were:  
Gold

- Open Men's Beach Relay
- U15 Mixed Beach Relay

Silver

- Landon Dobson U19 Flags
- U15 Male Board Relay
- U15 Male Surf and Teams
- U19 Female Double Ski

Bronze

- Hudson Hyland-Whelan U15 2km run
- Landon Dobson U19 Beach Sprint
- Mia McConnon U15 Female Board Race
- Open Male Board Rescue
- U15 Female Beach Relay
