# Aussies 2023

Hudson competed against the nations best surf sports athletes at the Aussies in WA. Hudson competed in the 2km beach race, flag and sprint events. Hudson finished 14th in the 2km event and to the semi finals in the beach sprints, a top 16 finish! A false start in the first round of the flags saw him eliminated but as we know these learning opportunities are just as valuable. DSLSC would like to congratulate Hudson on a fantastic carnival and look forward to seeing what the future holds.

# End of Patrol Season

The 2022/23 Surf Life Saving patrolling season has come to an end. The bluff beach will not be actively patrolled until the beginning of the 2023/24 season. We would like to thank our members who have given up their time as volunteers to keep our community safe at the beach. We have been utilised in many capacities this summer, over winter our Emergency Response Team (ERT) and our flood/swift water technicians will be on call 24/7 ready to assist as required. In the event of an emergency please call 000. Once again thank you to our team of volunteers. "Surf Life Saving exists to save lives, create great Australians and build better communities" - this is our mission.

# Junior Breakup

Wow, what a wonderful fun-packed busy six months of all things Nippers and surf club!

Well done to each and every one of our juniors - they've put in an amazing effort over the season. And we hope everyone will join us for an even bigger and better season in 2023/24.

Congratulations to our 2022/23 award holders.

# Flood Swift Water Rescue

Congratulations to our members who participated in a Flood Swift Water rescue course with Surf Life Saving Tasmania. Surf Life Saving Tasmania provides this valuable service beyond the flags to help our communities in the event of flooding. Last year alone the Flood Swift Water Rescue team was deployed to various flooding events in Tasmania and on the mainland. It is great to have additional members to the team, thank you for your service to our community.

## IRB Skills Weekend

Do you hold IRB Driver or Crew?

Are you wanting to increase your skills in the IRB?

Well the 20th & 21st of May is your chance! Join other SLST members on the East Coast for some wave action, rescue training and confidence building.

## Photo Frames

We would like to thank Mersey Sheet Metal and Roofing for their assistance in the making of our photo frames. These frames hold historical photos of the club and its members. It looks fantastic and has sparked many conversations about the "old days". We would also like to thank Rodney Solomon and Neale McClymont for their work installing the photos.
